The “e” symbol, per “SJ/T 11364-2024 Labeling requirements for restricted use of hazardous substances in electrical and electronic products”, means that the product or part does not contain any substances in excess of the maximum concentration values as per “GB 26572-2025 Requirements of Concentration limits for certain restricted substances in electrical and electronic products.” This information represents Solventum’s knowledge and belief, which may be based in whole or in part upon information provided by third party suppliers to Solventum. The “e” icon in symbol means the product does not contain hazardous substances and is environmentally green; the cycling arrow icon means the product can be recycled. When disposal, pls hand over to regular recycling channels and enterprises with qualification for disposal of waste electrical and electronic products, in obedience to local regulation requirement 此“e”标识依据《SJ/T 11364-2024电器电子产品有害物质限制使用标识要求》制定，表明该产品或部件不含有或含有的限用物质未超出《GB 26572-2025 电器电子产品有害物质限制使用要求》中规定的最大限值。该信息代表Solventum的知识和观点，可能是全部或部分的基于第三方供应商提供给Solventum的信息。该标识中的“e”表明该电器电子产品不含有害物质，是绿色环保的产品；箭头循环标志表示本产品可回收利用。废弃时，请由正规回收渠道以及有废弃电器电子产品处理资质的企业处理，应符合当地法规要求。

| | |
| | Present based on composition information disclosed by Solventum suppliers,analytics testing, or both. |

| | |
|--|--|
| | 1. Analytical measurement for presence is not currently available. 2.If measurement is possible, a) The material has not been identified or disclosed to Solventum and b) The material has not been specifically quantified or detected; OR c) Based on the information from raw material suppliers, possible presence as an impurity or by-product at or below regulatory thresholds(e.g.,0.1 or 0.01%) |
| | Desired in the final product to provide a specific characteristic,appearance, or quality and/or to perform a specific function. |
| | By-product(s), impurity(ies) and/or unintended artifact(s) resulting from the formulation and/or manufacture of a material. |
| | A chemical substance produced without a separate commercial intent during the manufacture, processing,use,or disposal of another chemical substance or mixture. |
| | A chemical substance which is unintentionally present with another chemical substance(e.g., residuals,catalysts,process solvents) |

*Terms apply to the Chemicals and/or Compounds of Interest Section only(if section is present)

**Terms apply to the PFAS Section only(if section is present)

***Terms apply to both the Chemicals and/or Compounds of Interest and PFAS Sections(if section(s) are present)

This product meets OSHA's definition of an article (29 CFR 1910.1200) and does not release hazardous chemicals under normal use. It is also defined as an article under REACH and does not require a Safety Data Sheet under Article 31 of Regulation (EC) No. 1907/2006.

Disclaimers: The information provided in this document related to material content represents Solventum's knowledge and belief, which may be based in whole or in part on information provided by suppliers to Solventum.This is intended to answer commonly asked questions about Solventum products and is not intended to be a comprehensive listing of all substances that may be of interest or that may be regulated in this or other Solventum products, nor is it intended to be a comprehensive summary of any and all regulations that may apply to this product. Where substances are listed, their listing does not infer or constitute a judgment as to their safety, environmental or health impacts. Information is supplied upon the condition that the persons receiving the same will make their own determination as to its suitability for their purposes prior to use. Customers are encouraged to consult with legal and regulatory experts to determine applicable regulations in light of intended use of the product.

Limitation of Remedies and Liability: In the event any Product is proven not to conform with the information in this document, then to the extent permitted by law. Solventum's entire liability and Buyer's exclusive remedy, will be at Solventum's option either: (i) replacement of Product with a conforming product, or (ii) refund of the purchase price paid by Buyer for each non-conforming Product, within a reasonable time after written notification of said non-conformance and return of said Product to Solventum. Solventum shall not under any circumstances be liable for direct, incidental, special, or consequential damages (including but not limited to loss of profits, revenue, or business) related to or arising out of this certification, including, the use, misuse or inability to use the Product. Unless stated otherwise in writing, the foregoing language cannot be waived, modified, or supplemented in any manner whatsoever.
